PURPOSE

This bulletin accompanies the Budget Act Amendment diskette for the final amendment of Fiscal Year (FY) 2000-01 combined Negotiated Net Amount (NNA) and Drug Medi-Cal (DMC) Contract or NNA-only Contract to inform the counties of changes to the diskette and submission processes.

DISCUSSION

The diskette is the pre-programmed V.2 for transmitting the final FY 2000-01 combined NNA and DMC Contract or NNA-only Contract amendment. The data contained on your diskette represents information from your initial V.1 amendment for FY 2000-01 and information reflected in the Budget Act allocation (ADP Bulletin 00-26 dated 8-14-00) for FY 2000-01. Counties that received revisions on the 8/14/00 allocation need to base their allocation on that amendment. Please be aware that the NNA and DMC data may have changed due to line additions and deletions explained in the "Funding Line Changes" portion of this document.

To complete the V.2 Amendment Diskette in PARADOX, you will need an IBM-compatible personal computer with WINDOWS software version 3.1 (or higher), a mouse, an EGA monitor (or higher), a WINDOWS-compatible printer and PARADOX Runtime. If you no longer have the installation CD for PARADOX Runtime, please contact your county contract analyst.

The following funding line changes are still applicable for the FY 2000-01 V.2 final amendment.

FUNDING LINE CHANGES FOR FY 2000-01

Due to the new requirement to track federal and State obligations and expenditures by grant award, several changes have been instituted in the funding lines. Substance Abuse Prevention and Treatment (SAPT) Block Grant funding lines 45, 50, 50a, 50b, 50c, 51, 52, 56, 56a, and 56b have been changed to include a dash and two additional digits that represent the grant award year (i.e., 45 is now 45-00 for Federal Fiscal Year (FFY) 2000 and 45-01 for FFY 2001 awards). Additional changes are as follows:

New Funding Lines for FY 2000-01

Line 50a-01, combines **SAPT Adolescent Treatment Program** (FFY 2001 award), \$4.7 million and **SAPT Youth Treatment Discretionary** (FFY 2001 award), \$2.6 million for youth treatment.

Lines 50d-00, SAPT Primary Prevention Set-Aside (FFY 2000 award), and **50d-01 SAPT Primary Prevention Set-Aside** (FFY 2001 award), were established to identify the requirement for the Primary Prevention Set-Aside.

Lines 62-00, SDFSC Community Based Prevention, and **68a-00, CA Mentor Initiative**, are new to represent the FY 2000 award funds.

Lines 62-00s, SDFSC Community Based Prevention Supplemental Award, and **Lines 68a-00s, CA Mentor Initiative Supplemental Award**, are new to represent FY 2000 the supplemental award funds.

Line 80f, Youth Treatment Services SGF, has been added for the purpose of reporting and tracking the \$5.7 million earmarked for youth treatment services only.

Line 90b, Obligated Unexpended CalTOP SGF/Prior FY, is being identified for CalTOP funds not expended in the prior year.

NOTE: Line 80c, State General Fund, will be used to capture the new \$7.7 million Adult Treatment Services Gap SGF funding intended to address gaps in the Adult Treatment Services system.

Changed Funding Lines for FY 2000-01

Line 41c, Perinatal SGF Ongoing includes **Perinatal Expansion Program SGF**.

Line 41g, Women and Children's Residential Treatment Services, SGF. The Legislature appropriated \$6.1 million to continue funding for the existing Women and Children's Residential Treatment Services. These funds cannot be used to match the Federal Financial Participation (FFP) in the DMC program. The ten (10) percent county match requirement ***no longer applies*** to these funds.

Line 56b, SAPT Drug Courts (FFY 2000 award), has been changed to line **56b-00**. The funding for this project ends with the FFY 2000 award. The expenditure period ends June 30, 2001.

Deleted Funding Lines for FY 2000-01

Line 58, DSS/CalWORKs SAPT, has been deleted. These funds are no longer being provided to DSS via an interagency agreement.

Lines 66, SDFSC Friday Night Live, and **68, SDFSC Club Live**, are deleted as these funds are now being awarded via the SAPT block grant.

SAPT BLOCK GRANT UNEXPENDED FUNDS FROM FY 1999-2000

Pursuant to Assembly Bill 1740, (Chapter 52, Statutes of 2000), the Budget Act for FY 2000-01, the Department of Alcohol and Drug Programs must, to the extent permissible under federal statutes and regulations, direct counties to expend up to \$20,935,000 of one-time federal carryover funds for the provision of prevention and treatment services for youth. For the purposes of this funding, youth is defined as persons under 21 years of age. The federal carryover funds are SAPT block grant funds and Safe and Drug-Free Schools and Communities (SDFSC) grant funds. ADP is collaborating with the Fiscal Workgroup to develop tracking systems for counties on these one-time funds for reports required by the Legislature.

Quarterly Federal Financial Management Report

Continue to submit your Quarterly Federal Financial Management Report as required. The report is used by the Department's Auditing staff to monitor the actual expenditures and compared to payments issued. If you have any questions, please contact Andy Dill, Audit Services Branch, Division of Administration, at (916) 324-6406.

Since Service Codes 40, 45, 46, and 47 were merged into the single Service Code of 48, use form NTP DMC Program Summary to capture the entire budget amount for the program. Please refer to ADP Bulletin 00-29 dated August 30, 2000.

The Federal and State Shares for DMC

Congress has altered and the Legislature approved changes in the DMC sharing ratio. The overall average DMC funding split for FY 2000-01 is 48.65 percent SGF and 51.35 percent FFP.

DMC Administrative Cost

DMC counties are now required to report their Administrative Costs associated with their oversight of DMC providers and services. This requires reporting those costs within each DMC provider's budget.

DMC Day Care Habilitative Services

The Budget Act authorized reimbursement for medically necessary day care habilitative (DCH) services as part of the DMC benefit for all DMC eligible clients. Reimbursement for services through the Medi-Cal program is not available until amendments to the State Plan are approved by the federal Health Care Financing Agency and notice is given to the county alcohol and drug program administrators and certified DMC providers.

Notice will be made as soon as each approval is obtained. Programs must be certified for DCH services prior to providing these services in order to receive DMC reimbursement. Programs that are not certified must submit an application and undergo an on-site review prior to certification.

To assure that DMC certification is active and the program is certified to provide DCH services, contact the Licensing and Certification Branch at (916) 322-2911. If determined that program certification has been suspended, the Department will require a written request to reactivate certification. If certification has been terminated, a new application will be necessary.
